Respondent	Answer
1377496	Wonderful in every way.
1381149	N/A
1386859	Helpful and dedicated to her students at review sessions and in class.
1386909	I primarily went to Ava's office hours. They were very helpful when I was confused.
1389923	Very helpful with problem sets, makes class more fun as well
1393043	Ava always gave clear and helpful responses to questions we had!
1399074	Ava was extremely helpful in understanding the concepts that didn't stick through the lecture videos. She walked us through the problem sets, making the problems much more attainable, though she was not as accessible in the first few weeks.
1401463	Ava is great!
1408071	Strengths: helped us review p-sets Weaknesses: nothing!
1409385	Very good overall.
1409581	Great TF! Super helpful and friendly
1409646	Really went above and beyond to make her discussion sections laser-focused and worthwhile. She got us through a lot of content and math/ physics concepts that I otherwise wouldnt have understood. Passionage, incredibly knowledgeable, approachable, and fun. You could tell she was truly committed to

the course.

- 1409908 She was a queen. Super helpful during section and just a joy to engage with in class.
- 1410234 The TF was very good at explaining what questions were asking for as well as providing a framework for how to approach questions of a certain type. Very effective explanations.
- 1411890 Ava was extremely helpful and enthusiastic in her discussion sections.
- 1412659 Ava was very friendly and always had little side-chats with my table group about interesting topics in astronomy. She had high levels of engagement throughout all discussion sections.
- 1413462 Ava was extremely helpful with explaining the material during office hours.
- 1414503 Ava is a very good TF. She is funny and knowledgeable and makes it easy to ask questions at the sections she leads.
